

Нестандартные учебные задания для обучающихся

7-х классов

1. Несина К.А.
2. Английский , география
3. Страны и их столицы

Тема: «Страны и их столицы»

Цели: развитие иноязычной лингвистической компетенции через интеграцию английского языка в географию.

Задачи: Активизация лексических единиц

Развитие навыков чтения

Развитие пространственного воображения

Формирование научного мировоззрения

Методическая рекомендация:

Целью данного задания является не только проверка знаний, которые обучающиеся получили при изучении материала, но и проверить их способность легко ориентироваться в учебнике, быстро и верно находить запрошенную информацию (проверка умений работать с таблицами), проверка уровня усвоения лексического и грамматического материала. Отличительная особенность этого задания в том, что обучающимся разрешено пользоваться учебником, рабочей тетрадью по географии.

Пользуясь учебником и тетрадью по географии, догадайся о какой стране идет речь, назови ее столицу

It's the one of the largest countries in the world. Its area is over a million sq km. The population is over one billion people. It means that one out of every 5 people in the world is from this country. The Great Wall is in this country.
China, Beijing.

This country is bigger than the United States, bigger than the continent of Australia. It is one of the world's largest countries. Its area is about 10mln sq km. It extends for thousands of miles from the Arctic Ocean to the United States and from the Atlantic Ocean to the Pacific Ocean. The population is 29 mln people.

Canada, Ottawa.

It is the only country in the world that is also a continent. It is the sixth large country and the smallest continent. It lies between the Pacific Ocean and the Indian Ocean. It is situated about 11000 km southwest of North America and about 8200km southeast of mainland Asia. The name of the country comes from Latin word "australis" which means southern.
Australia, Canberra

It is an island country. It is made up of 3 islands: the North and South Islands and Stewart Island, a small land mass just to the south of (the South Island). Most of its people live in North Island, and that is where you find big volcanoes like Egmont and Tongariro and the boiling pools and geysers and lakes of bubbling mud. Auckland, Christchurch and Wellington are the biggest cities.
New Zealand, Wellington

It is a very beautiful, historical, and interesting country with many ancient attractions. The culture of Turkey takes its roots from the Ottoman Empire. Straddling many countries, Turkey is the bridge between Europe and Asia. 75 million people live there. Turkey has many cities with ancient history, and largest and arguably the most beautiful city is Istanbul.
Turkey, Ankara

It is a small landlocked country in Central Europe, situated west and northwest of Germany and bordering Austria to the south, Poland to the north and Slovakia to the south-east.
Karlovy Vary is a historic spa resort, especially popular with German and Russian tourists.
Czechia, Prague
